## **Information on Photo and Video Recordings**

During the event, photo and video recordings will be made. Below, we inform you about the type and purposes of these recordings, the legal basis for processing, and your rights.

The recordings will be used for the following purposes:

- Providing the recordings to participants
- Internal image database or archive
- Internal use by the association
- Announcements of upcoming or similar events
- Public reporting about the event
- Public relations
- Use on our website
- Publication on social media
- Forwarding of images to the press and media
- Reference for photographers

**Type of recordings:** Photographs and video footage.

**Legal basis for the recordings:** Legitimate interest in using the recordings for the above-mentioned purposes in accordance with Article 6 (1) sentence 1 lit. f, and Article 85 of the General Data Protection Regulation (GDPR) in conjunction with Sections 22 and 23 of the German Art Copyright Act (KUG).

**Retention period of the recordings:**

The recordings will be retained for as long as necessary for the purposes stated above. Internally, the recordings may be stored indefinitely—for example, to protect copyright claims by providing evidence of original material, or for purposes of historical documentation. If published,

the recordings may remain accessible as long as the respective publication platforms, articles, or contributions remain publicly available.

**Notice regarding third-party recordings:**

Participants may also create their own recordings at the event under their own responsibility. We kindly ask all participants to respect each other's personal rights.
